

Jenny's Jams
OF LINCOLN

SELECT LINCOLNSHIRE

APRIL 2010

Welcome to another Jenny's jams newsletter. The sun is shining; the unpronounceable volcano in Iceland is slowing, even if only temporarily, let's hope people come out shopping, especially for preserves.

Facebook

Jenny jams is now on Facebook. Please drop in and say hi. www.facebook.com/jennysjams

New Chutney

The new chutney is well underway. See the Face book page. For those who do not have facebook Jenny is looking for ten volunteers to taste the chutney. If you volunteer, and are one of the chosen ten then please give an honest appraisal on taste, texture, appearance etc.

Jenny's tip

Preserve of the month, Blackcurrant. This fruity jam delivers a real punch. If you enjoy a continental breakfast why not try this jam with your croissant. Many people enjoy yoghurt, spoon this jam into plain yoghurt for a sensational taste. Lastly, if you make pies add this to apple for an Apple and Blackcurrant Pie.

Readers tip

This one is from David at East Barkwith Post Office, thank you.

He intends to leave a copy on his counter so that at busy times it gives customers something to read.
